Miami, FL – Lives Amplified (the “Organization”) is excited to announce that Consul General of Nigeria in New York His Excellency Amb. Abubakar Jidda, has joined the Organization. Mr. Jidda is recognized for his strong commitment to democratic governance and economic development. He brings a wealth of experience and will contribute to the leadership of the Organization.

H.E. Ambassador Jidda is a highly accomplished and result-oriented diplomat with over two decades of experience in diplomacy, international relations and foreign affairs within the Ministry of Foreign Affairs, Nigeria. He is sought-after for his expertise in representing Nigeria at various global forums, such as the United Nations General Assembly, African Union Summits, and other significant conferences on economic, environmental and agricultural issues.

The Lives Amplified Organization is composed of two important entities. Lives Amplified Global Leaders Society (the “Society”) is a private, invitation-only membership Society

composed of current and former presidents, prime ministers, other senior government dignitaries, as well as some of the world's largest family offices, investment funds, executives of multinational corporations, other business and thought leaders. Among many of its initiatives, the Society hosts high caliber networking events and assists its members in accessing capital, new markets, government contracts, strategic partnerships and much more.

The Lives Amplified Foundation is a distinguished nonprofit. Among many of its global initiatives, it administers online and in-person the Young World Leaders Academy, where selected cohorts of young leaders from around the globe receive mentorship and training on the topics of economic and political leadership from those who lead and continue to lead countries, as well some of the world's largest business and nonprofit organizations. The Academy scholars are also taught by lecturers from the world's most prestigious academic institutions, such as Harvard, Wharton School of Business, Stanford, MIT, Yale, Princeton, Columbia, Oxford, London School of Economics, Johns Hopkins, Shanghai University, and other premier institutions.

Both the Society and the Foundation are working towards the common goal of elevating the well being of humanity across the globe.
