Miami, FL – Lives Amplified Global Institution of World Leaders (the “Institution”) is excited to announce that Former President of Serbia Boris Tadić has joined the [Institution](#) as an Honorary Board Member. Mr. Tadić is recognized for his strong commitment to democratic governance and economic development. He brings a wealth of experience and will contribute to the leadership of the Institution.

Boris Tadić served two terms as President of Serbia. His extensive political career includes key roles as Minister of Telecommunications of the Federal Republic of

Yugoslavia and Minister of Defence of Serbia and Montenegro, where he played a critical role in driving modernization and implementing significant reforms. As President, Tadić was instrumental in advancing Serbia's European Union integration, fostering regional stability, and championing human rights. He also led the Democratic Party, focusing on political and economic modernization. Tadić's legacy is marked by his strategic leadership in strengthening Serbia's position on the global stage while effectively navigating complex regional and international challenges.

The Lives Amplified Institution of World Leaders is composed of two important entities. Lives Amplified Global Leaders Society ("Society") is an exclusive, invitation-only membership organization that includes current and former presidents, prime ministers, senior government dignitaries, as well as some of the world's largest family offices, investment funds, multinational corporation executives, and influential business and thought leaders. Among its many initiatives, the Society organizes high-caliber networking events and facilitates access to capital, new markets, government contracts, strategic partnerships, and other valuable opportunities for its members.

The Lives Amplified Foundation is a distinguished nonprofit. Among many of its global initiatives, it administers online and in-person the Young World Leaders Academy, where selected cohorts of young leaders from around the globe receive mentorship and training on the topics of economic and political leadership from those who lead and continue to lead countries, as well some of the world's largest business and nonprofit organizations. The Academy scholars are also taught by lecturers from the world's most prestigious academic institutions, such as Harvard, Wharton School of Business, Stanford, MIT, Yale, Princeton, Colombia, Oxford, London School of Economics, Johns Hopkins, Shanghai University, and other premier institutions.

Both the Society and the Foundation are working towards the common goal of elevating the well being of humanity across the globe.
