Miami, FL – Lives Amplified Foundation (the “Foundation”) is excited to announce that CEO & President of Environmental Justice, Inc., Edward Russo, has joined the Foundation as the Co- Chairman of the Climate Council. Mr. Russo is recognized for his strong commitment to environmental matters. He brings a wealth of experience and will contribute to the leadership of the Foundation.

Edward Russo will chair President Trump's environmental advisory task force. Russo served as an environmental consultant for President Trump for many years. He and his business partner were nominated for a Nobel Peace Prize for using atmospheric water technology to create clean, healthy drinking water from the air.

The Lives Amplified Organization is composed of two important entities. Lives Amplified Global Leaders Society (the “Society”) is a private, invitation-only membership Society composed of current and former presidents, prime ministers, other senior government dignitaries, as well as some of the world's largest family offices, investment funds, executives of multinational

corporations, other business and thought leaders. Among many of its initiatives, the Society hosts high caliber networking events and assists its members in accessing capital, new markets, government contracts, strategic partnerships and much more.

The Lives Amplified Foundation is a distinguished nonprofit. Among many of its global initiatives, it administers online and in-person the Young World Leaders Academy, where selected cohorts of young leaders from around the globe receive mentorship and training on the topics of economic and political leadership from those who lead and continue to lead countries, as well some of the world's largest business and nonprofit organizations. The Academy scholars are also taught by lecturers from the world's most prestigious academic institutions, such as Harvard, Wharton School of Business, Stanford, MIT, Yale, Princeton, Columbia, Oxford, London School of Economics, Johns Hopkins, Shanghai University, and other premier institutions.

Both the Society and the Foundation are working towards the common goal of elevating the well being of humanity across the globe.
