Miami, FL – Lives Amplified (the “Organization”) is excited to announce that the International President of Transport Workers Union of America, John Samuelson, has joined the Organization. Mr. Samuelson is recognized for his strong commitment to democratic governance and economic development. He brings a wealth of experience and will contribute to the leadership of the Organization.

TWU International President John Samuelson represents over 150,000 members across the airline, railroad, transit, universities, utilities, and services sectors. Samuelson is also the former President of TWU Local 100 in New York City – the union’s largest local. He still maintains an active public role in New York politics and advocates on behalf of all TWU members

The Lives Amplified Organization is composed of two important entities. Lives Amplified Global Leaders Society (the “Society”) is a private, invitation-only membership Society composed of current and former presidents, prime ministers, other senior government dignitaries, as well as some of the world’s largest family offices, investment funds, executives of multinational corporations, other business and thought leaders. Among many of its initiatives, the Society hosts high caliber networking events and assists its

members in accessing capital, new markets, government contracts, strategic partnerships and much more.

The Lives Amplified Foundation is a distinguished nonprofit. Among many of its global initiatives, it administers online and in-person the Young World Leaders Academy, where selected cohorts of young leaders from around the globe receive mentorship and training on the topics of economic and political leadership from those who lead and continue to lead countries, as well some of the world's largest business and nonprofit organizations. The Academy scholars are also taught by lecturers from the world's most prestigious academic institutions, such as Harvard, Wharton School of Business, Stanford, MIT, Yale, Princeton, Columbia, Oxford, London School of Economics, Johns Hopkins, Shanghai University, and other premier institutions.

Both the Society and the Foundation are working towards the common goal of elevating the well being of humanity across the globe.
