Miami, FL – Lives Amplified (the “Organization”) is excited to announce that a former Prime Minister of Belgium, Yves Leterme, has joined the Organization as an Honorary Board Member.

Mr. Leterme served as the Prime Minister of Belgium twice during a challenging political period marked by coalition negotiations and regional tensions. Mr. Leterme's political career also includes serving as the Minister of Foreign Affairs and the Minister of Development Cooperation. He is recognized for his efforts in promoting federalism in Belgium and his involvement in international diplomacy. Mr. Leterme brings a wealth of experience and will contribute to the leadership of the Organization.

The Lives Amplified Organization is composed of two important entities. Lives Amplified Global Leaders Society (the “Society”) is a private, invitation-only membership Society composed of current and former presidents, prime ministers, other senior government dignitaries, as well as some of the world’s largest family offices, investment funds, executives of

multinational corporations, other business and thought leaders. Among many of its initiatives, the Society hosts high caliber networking events and assists its members in accessing capital, new markets, government contracts, strategic partnerships and much more.

The Lives Amplified Foundation is a distinguished nonprofit. Among many of its global initiatives, it administers online and in-person the Young World Leaders Academy, where selected cohorts of young leaders from around the globe receive mentorship and training on the topics of economic and political leadership from those who lead and continue to lead countries, as well some of the world's largest business and nonprofit organizations. The Academy scholars are also taught by lecturers from the world's most prestigious academic institutions, such as Harvard, Wharton School of Business, Stanford, MIT, Yale, Princeton, Columbia, Oxford, London School of Economics, Johns Hopkins, Shanghai University, and other premier institutions.

Both the Society and the Foundation are working towards the common goal of elevating the well being of humanity across the globe.
