Miami, FL – Lives Amplified (the “Organization”) is excited to announce that U.S. Ambassador (Ret.) to the Commonwealth of the Bahamas and President of the Siegel Group, Ned L. Siegel, has joined the Organization. Ambassador Siegel is recognized for his strong commitment to democratic governance and economic development. He brings a wealth of experience and will contribute to the leadership of the Organization.

Ambassador Ned L. Siegel's business career encompasses over 40 years of entrepreneurial experience as a developer, owner and manager of vast and diverse holdings in residential and commercial real estate, witnessing first-hand both the best and worst of economic times. Presently, he serves as President of The Siegel Group, a multi-disciplined international business management advisory firm specializing in real estate, energy, utilities, infrastructure, financial services, oil and gas and cyber and

secure technology. Amb. Siegel has had the distinguished honor of serving three Presidential appointments: from 2003 – 2007 he was appointed to serve on the Board of Directors of the Overseas Private Investment Corporation (OPIC); then from 2006 - 2007 he served as the Senior Advisor to the U.S. Mission and as the U.S. Representative to the 61st Session of the United Nations General Assembly in New York, where he served under Ambassador John R. Bolton; and from October 2007- January 2009, he served his third appointment as the U.S. Ambassador to the Commonwealth of the Bahamas.

The Lives Amplified Organization is composed of two important entities. Lives Amplified Global Leaders Society (the “Society”) is a private, invitation-only membership Society composed of current and former presidents, prime ministers, other senior government dignitaries, as well as some of the world’s largest family offices, investment funds, executives of multinational corporations, other business and thought leaders. Among many of its initiatives, the Society hosts high caliber networking events and assists its members in accessing capital, new markets, government contracts, strategic partnerships and much more.

The Lives Amplified Foundation is a distinguished nonprofit. Among many of its global initiatives, it administers online and in-person the Young World Leaders Academy, where selected cohorts of young leaders from around the globe receive mentorship and training on the topics of economic and political leadership from those who lead and continue to lead countries, as well some of the world’s largest business and nonprofit organizations. The Academy scholars are also taught by lecturers from the world’s most prestigious academic institutions, such as Harvard, Wharton School of Business, Stanford, MIT, Yale, Princeton, Columbia, Oxford, London School of Economics, Johns Hopkins, Shanghai University, and other premier institutions.

Both the Society and the Foundation are working towards the common goal of elevating the well being of humanity across the globe.
